Resident Meal Plan

Fisher College provides each Resident Student with 1350 Declining Balance Dollars (DBD) per semester and two Meal Swipes per week.

This plan gives students flexibility to purchase large or small meals as they choose throughout the semester.

Declining Balance Dollars (DBD)

DBD is added to the student's Fisher ID card. Each time a food purchase is made at the Food Court or Falcon's Nest, the total cost of the purchase is subtracted from the student's DBD balance. 1 DB Dollar = \$1. Resident Dining Dollars carry over from fall to spring semester and expire at the end of the spring semester.

Meal Swipes

Each week, Fisher residents receive two Meal Swipes on their Fisher ID to use in the Fisher Food Court. Meal Swipes can be used to purchase pre-determined complete meals at various stations. Unused meal swipes do not roll over to the following week. Students can redeem their two Meal Swipes any time during the week and at the beginning of each new week their card will be reset with two Meal Swipes.

Bonus Domino's Pizza®

Students may use 50 of their Declining Balance Dollars for purchases at our off-campus Domino's Pizza® location.
